New Note: Class Cancellations Due to Bad Weather

Mirage holds all classes on bad weather days if businesses remain open. School bus cancellations do not imply that Mirage classes are cancelled. To check on any given day, call Mirage at (613) 835-2836 after 4:00 PM. If classes are cancelled, the message will indicate this. Otherwise, classes are held as usual. We do not call to inform you of cancellations for bad weather as we do for other types of cancellations.

Please see other side for additional important information.

3) Other Important Dates and Information

- a) **2009 Recital DVD:** Work is progressing well on our 2009 Recital DVD. Our goal is to distribute copies to you before the Christmas break. We will keep you informed of the progress
- b) **FREE Belly Fit Trial Classes:** Get fit for the New Year... We will be holding **FREE** Belly Fit trial classes for any *existing* dance students who want to give Belly Fit a try before registering. The locations, nights, and times are listed on the yellow flyer that is being handed out along with this class calendar.
- c) **Winter 2010 Class Prices for Renewing Students:** Prices will be the same again as they have been for the past several years. This upcoming semester will consist of 16 classes.
 - 1) Single Class per Week of Any Type: \$12.00 per class
 - 2) Two or More Dance Classes Per Week: \$10.00 per Dance class
 - 3) Belly Fit 50% Off Special: \$6:00 per class (Some conditions apply*) See accompanying yellow flyer.
 - 4) Immediate Family Discount: \$10 per class per person (Applies when registering with a family member under 18 years of age and living at the same home address.)

For example, if you are taking one dance class per week, your total tuition would be \$211.60:

$$\$211.60 = \$192.00 (\$12 \text{ per class} \times 16 \text{ classes}) + \$9.60 \text{ GST} + \$10 \text{ Registration Fee (GST Included)}$$

*** More detailed pricing information, including the Belly Fit 50% Off Special pricing, will be provided in your Winter 2010 Renewal Registration Kit, which will be distributed shortly after the Christmas break.**

- d) **NEW! New Student Registration and Spring Product Sale:** As we have recently started work on an exciting new project (details to follow), **we will not be holding a New Student Registration** for our Winter 2010 semester. **Also in support of this project, we will not be holding a Spring Product sale in 2010**, so make sure to start early on putting your Recital costume together. It may be a good idea to do so during this festive season due to the elaborate evening wear you can choose from. *Bling, bling, bling!!!*
- e) **2010 Student Recital:** Our 2010 Student Recital will be held on Sunday, June 13, 2010 at Béatrice-Desloges. Participation is open to all students, though it is *optional*.

NEW! Our 2010 Recital will have only one performance this year at our usual Matinée time of 2:00 PM:

Due to rapidly increasing costs, lower student participation and dropping audience sizes over the last few years, this change is necessary to ensure the future viability of the Recital. Details about the Recital will be provided in a Mauve flyer in your Winter 2010 Renewal Registration Kit, which will be distributed soon after the Christmas break.

- f) **2010 Student Recital Dress Rehearsal:** Again this year, Dress Rehearsal will be held at Gisèle-Lalonde, despite the Recital being held at Béatrice-Desloges. **Dress Rehearsal will be held Saturday, June 5, 2010.** A schedule will be provided at a later date. If you are performing in the Recital (*optional*), your participation in the Dress Rehearsal is **mandatory**. As such, please leave the entire day free until you have been given your scheduled time for rehearsal. **There is a \$25 No Attendance Fee if you do not attend.**
- g) **Fall 2009 Referral Program:** Payments will be distributed with your Renewal Registration Kit shortly after the Christmas Break. As usual, the referral program was open to Fall 2009 renewing students only. New students in the Fall 2009 semester did not qualify for this program, but as renewing students, you may participate in our next Referral Program which will apply to our Fall 2010 semester.
